PREFACE

Dear ESSB-student,

In this booklet lies the perfect opportunity for every ESSB-student to have an amazing time at the faculty association: Cedo Nulli! It offers various ways to get acquainted with other ESSB-students, develop new skills, and make memories for years to remember. Whether you are just getting started with your studies, or you have been around campus for a while, Cedo Nulli has something to offer you! Do you feel like you have not yet experienced the student life you wished for? Chances are that Cedo Nulli has something which will fill your needs, whether it be in an academic sense, a career-oriented sense, or by offering recreational activities.

Studying is probably the most important matter in a student's life, yet many employers and former students will tell you that it is just as important to develop yourself outside of your studies. By becoming an active member, joining a committee, or even by showing up to a few activities, this development can easily be found. Cedo Nulli exists to serve this purpose.

Membership at Cedo Nulli provides you with a broad variety of activities, which offer various ways to grow yourself. We provide study groups, internships, study trips both abroad and locally, and interesting events related to your specific field of study. Besides this, we organise many great parties where our members can blow off some steam or some more relaxed or sporty activities where you can focus on your own well-being. In conclusion, we offer an activity for every need.

This booklet offers you all the information to see what suits you within Cedo Nulli. Take a peek at the Committees as well and see what committees spark your interest. Apply quickly, that way you will get to organise events that you are enthusiastic about.

We hope you will enjoy this booklet. If any matters are still unclear or if you have any questions concerning the information in this booklet, do not hesitate to reach out. We will gladly help you with your questions!

Much love,
The 41st Board of Cedo Nulli

You will also get to know all the other committee members, share experiences together and form close friendships. And to top it off, committee members can go on weekend getaways and join the Battle of the Committees! To find out which committees there are and which committee suits you the most, keep on reading!

COMMITTEES

READY FOR A FULL YEAR? THESE COMMITTEES ARE FOR YOU!

ALUMNI COMMITTEE

The Alumni Committee consists of alumni of the Erasmus School of Social and Behavioural Sciences. Master students can also apply for this committee. You will mainly organise activities for other alumni, such as exclusive drinks. As a member of this committee, we challenge you to come up with interesting activities for alumni and to turn these ideas into a success. Definitely think about joining this committee if you are an ambitious alumnus or alumna and still want to be active at Cedo Nulli.

CAREER COMMITTEE

Everyone hopes to land that one dream job. Or if you're not entirely sure yet, getting a taste of potential possibilities would really help, right? This committee organises three amazing events that will contribute to your own career process. This includes for example, an inhouse day and an international career fair. If you're ambitious, a real 'go getter', and want to leave university with a large network of contacts, then this is the perfect committee for you!

CHARITY COMMITTEE

The Charity Committee is a committee for the people around you. Are you creative, caring, and full of initiative? Then this is your chance to make a real impact. You'll raise money for an organization or charity of your choice through various events like Donate December and the Charity Run during the Rotterdam Marathon. You'll be busy recruiting volunteers and inspiring others to engage throughout the academic year. Can you make money move and enthuse your fellow students to go the extra mile? Apply for this committee!

CONTENT COMMITTEE

The Content Committee is perfect for anyone who loves creativity, media, and storytelling. Unlike other committees, the roles here are more specialized, besides the Chair and Secretary, there are two dedicated Content Managers. This team will be responsible for designing the annual yearbook and creating content for the new Cedo Nulli TikTok account. You'll work on a variety of marketing-related projects, combining visual content, writing, and strategy. Want to shape how Cedo Nulli is seen online?

DIES COMMITTEE

This committee is responsible for two big events: the Short Trip, previously known as Destination Unknown and the Dies Natalis. The former is a fun weekend away in the first part of the year. The Dies Natalis is a week with a mix of several activities and festivities to celebrate the birthday of Cedo Nulli! As a member of this committee, you will have an amazing time and create some of the most memorable moments of the year.

FRESHMEN COMMITTEE

Being a freshman means that you have a year full of new experiences and people ahead of you, which is amazing, but can also be a bit intimidating. That's why the freshmen committee is great for first year-students! You'll get to work together with fellow freshmen and organize activities that help other freshmen find their way in Rotterdam. This committee is also responsible for organising the annual Family Days and the Freshmen Weekend in the beginning of the new academic year. Thus, altogether an amazing committee in which you're guaranteed to have a great time and meet some of your new friends for life!

MISOC-PUBLIC ADMINISTRATION- SOCIOLOGY COMMITTEE

This is a broad committee that focuses on an equally broad range of subjects. You will get to organize activities such as publectures, a symposium, a pubquiz or more! Are you motivated to organize activities around these three separate studies and would you also like to organise a daytrip? If you think that these kind of activities fit you then do not hesitate and sign up for this committee!

PEDAGOGICAL SCIENCES- AND PSYCHOLOGY COMMITTEE

This committee revolves entirely around ESSB's Behavioural Sciences. Are you a Pedagogical Sciences or Psychology student who lost their heart to one or both of these amazing fields of research? Turn your passion into action within this committee! You'll get to organise various events, such as interactive evenings on developing clinical conversational skills with professional actors, field trips to interesting institutions, a symposium, and an event on very interesting topics that will keep you on the edge of your seat. If you are a passionate Pedagogical Sciences or Psychology student, then you are who we are looking for!

SPORTS AND ACTIVITIES COMMITTEE

Are you motivated to organise a mix of sporty and social activities? Are you creative enough to come up with new events in these areas? If so, then you will definitely feel at home in the Sports and Activities Committee! During the year, you will organize different activities and also our annual Ski-Trip! Furthermore, you will organise the renowned Beer Cantus which is a huge success every year. Do you think you are cut out for this? Then apply now!

STUDYTRIP COMMITTEE

The study trip is one of the most popular events of the year. You, as a member of the Study Trip committee will make sure 50 students will have a week they will never forget with all their fellow students. In this committee you organise a week-long trip to an interesting location abroad, filled with study-related activities, cultural exploration and obviously with amazing parties. Can you make this happen?

POSITIONS

THE POSITIONS WITHIN EACH COMMITTEE

CHAIR

As the Chairman of a committee you are expected to guide the committee on the right track. You make sure that things get taken care of, that communication stays clear and that the board supervisor is up-to-date on the current state of affairs. Keep in mind that as a chairman you have more responsibilities than other members of the committee. So are you a responsible person who is capable of keeping an overview of what's going on? Chairman is the way to go!

TREASURER

As the Treasurer of your committee, you will be responsible for the budget. You will learn how to make an estimate and in the beginning of the year you will prepare an estimate for your committee. Sometimes it will be a real challenge and puzzle to let everything fit in the budget, but that's also the fun part. It's also your job to keep an eye on your committee members, so they won't spend too much (or too little) money!

SECRETARY

The Secretary focuses on writing the minutes during a meeting. This is an important task: the committee depends on you to read what they need to do. Besides this, you will be answering most of the e-mails your committee gets and processing the subscriptions for activities. Secretary mostly is more of a back-ground role but in most committees you can do some other tasks as well. So would you like to be the backbone in a committee? Become the Secretary!

COMMISSIONER OF PROMOTION

The Commissioner of Promotion is responsible for the promotion of the events a committee organises. You will promote the event and write a little piece of text to put on Instagram, create flyers and promotional video's (in programs such as Canva, Photoshop, InDesign and Illustrator) for an activity, and so much more! If you are outgoing, creative, have a lot of marketing strategies and all in all feel like you were born to be a Commissioner of Promotion, then search no more, apply for this position now!

COMMISSIONER OF EXTERNAL RELATIONS

As a Commissioner of External Relations you will be responsible for all outgoing contact that is not related to the university. In addition, you will be responsible for adding more contacts to the commercial relations system. Moreover, using these contacts you can come up with ideas for acquisition. In other words: if you add a lot of contacts and have a good plan of action, your committee may get their hands on extra budget! So, do you want to learn how to lobby and present yourself? Then we want you!

DIVERSITY AND INCLUSION COMMISSIONER

The Diversity and Inclusion Commissioner is not an independent position, but an added task for a person chosen within your committee. This extra function is a merge from last years International and Cohesion Commissioner. The task as a Diversity and Inclusion Commissioner is to make sure everyone feels included within the committee and during the events you organise. You make sure that all the events the that committee organises are accessible for everyone (also for international students) and you will be responsible for promoting more cohesion within the committee, for example by organising and stimulating activities to undertake together. Lastly, you will responsible for the buddy system, so when someone asked for a buddy, it is possible that you are the one who are linked to that person. So do you like to create cohesion, include others and love to making new social contacts? Then you are the right person for this position!
